

IN THE CLAIMS

Please amend the claims as follows:

Claim 1 (Currently Amended): A polyurethane composition comprising

(A) a urethane compound ~~obtained~~ prepared by reacting 100 parts by weight of a polyol with a polyisocyanate such that the NCO/OH equivalent weight ratio is greater than 0.5 but ~~smaller~~ less than 15, and

(B) a compound selected from the group consisting essentially of a linear olefin compound having at least 6 carbon atoms, an oligomer of a linear olefin compound having at least 6 carbon atoms ~~[[or]]~~ and an epoxy compound of an oligomer of a linear olefin compound having at least 6 carbon atoms,

wherein the content of said compound (B) per 100 parts by weight of said polyol is greater than 5 parts by weight but ~~smaller~~ less than 400 parts by weight.

Claim 2 (Original): The polyurethane composition of claim 1, wherein the linear olefin compound having at least 6 carbon atoms for said compound (B) is an α -olefin having 6 to 30 carbon atoms.

Claim 3 (Original): The polyurethane composition of claim 1, wherein the linear olefin compound having at least 6 carbon atoms for said compound (B) is an α -olefin having 6 to 18 carbon atoms.

Claim 4 (Original): The polyurethane composition of claim 1, wherein the linear olefin compound having at least 6 carbon atoms for said compound (B) is a linear inner olefin having 6 to 30 carbon atoms.

Claim 5 (Original): The polyurethane composition of claim 1, wherein the oligomer of a linear olefin compound having at least 6 carbon atoms for said compound (B) is an oligomer formed of 2 to 8 molecules of a linear olefin compound having 6 to 30 carbon atoms.

Claim 6 (Original): The polyurethane composition of claim 1, wherein the epoxy compound of an oligomer of a linear olefin compound having at least 6 carbon atoms for said compound (B) is an epoxidation product of a dimer of a linear olefin compound having 6 to 30 carbon atoms.

Claim 7 (Currently Amended): A molded article ~~produced~~ prepared by molding the polyurethane composition ~~recited in any one of claims~~ claim 1 ~~to 6~~.
